Important Information

- Please note that all trade applications must include a photocopy of a valid driving licence at your current address.
- Trade rates will not be given unless you have proof of trade insurance matching details that are of the same address and name as your driving licence.
- We require your bank details to set you up on our BACS banking system for payments.
- All the above information will not be disclosed to any third parties and will be treated as strictly confidential information.
- Registering a trade account entitles you to lower rates of commission. The account can only be processed if you or your business is VAT registered.
